Gao Yi

B. 1981

Gao Yi from Shaanxi is an independent Chinese artist. Graduated from Nanjing Institute of Calligraphy Arts, he is a professional seal cutting artist as well. Currently settled in Shanghai, he is a member of China National Painting and Calligraphy Institute, the Jiangsu Province Calligraphy Research Institute, as well an executive director of Chinese Calligraphy Association. Gao Yi has spent years researching the art of Chinese calligraphy, yearning for a new form of expression that is now considered by critiques to be a breakthrough in the art form. His paintings are able to nourish both Chinese and international audiences, by creating an ideological world that is based on rich Chinese culture yet moves forward with a universal contemporary connection.
