Introduction

Lei Lei's sculptures appeal the artist's strong personality. He creates a beauty of silence with a pure sculpture language. Buddha figures in caves inspired Lei Lei's sculptures. Lei Lei creates figure sculptures with soft, quiet and calm expression on faces and sometimes show gentle gestures as well as Buddha figures in caves. However, Lei Lei develops more ideal, poetic and mysterious phenomena for his figure sculptures. They seem come from a utopia and they are in pursuit of peace and calm in the present moment. Lei Lei presents a dialogue between dynamic and static expression. Lei Lei born in Chengdu, Sichuan. In 2012, he graduated from the master's Department of Sculpture, Central Academy of Fine Arts.
